VICE CHANCELLOR JOSEPH W. WATSON  
Student Affairs

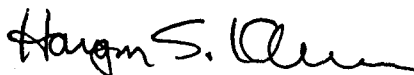

SUBJECT: Result of Intercollegiate Athletics Fee Increase Referendum

Dear Vice Chancellor Watson:

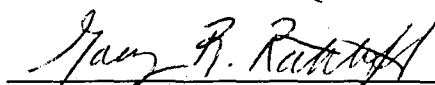

On December 18, 2006, Chancellor Fox approved a request from the Associated Students to conduct a fee referendum election to increase the Intercollegiate Athletics fee by \$78.04 per student per quarter effective Fall Quarter 2007 and adjusted annually with the California Consumer Price Index. The election was conducted on TritonLink from January 29 through February 2, 2007 in accordance with the *ASUCSD Election Bylaws* and Section 18.00 of *UCSD Policies and Procedures Applying to Student Activities*.

The UCSD undergraduate students voted in favor of the fee increase, with 55.8% voting in the affirmative, and 44.2% voting in the negative. The percentage of registered undergraduate students participating in the election was 41.9%, thereby satisfying the minimum voter turnout requirement to make the fee referendum valid. This number is based on the number of registered undergraduates on the last day of voting, which is consistent with *The Constitution of the Associated Students of the University of California, San Diego*, which states in relevant part that "the number of students casting ballots must equal or exceed 20% of the registered students affected by the fee at the time the election is held."

Attached is the Certificate of Election signed by the Associated Students Special Election Manager which includes the actual ballot language, certifying the aforementioned to be true. I endorse the result of the election and recommend that you forward it to the Chancellor for her approval and submission to the President for final approval.

67.5% percent of this fee increase would be allocated to and administered by the Intercollegiate Athletics Department to increase its operating budget for a broad-based program and to comply with the NCAA Division II grants-in-aid requirement.

3.5% percent of this fee increase would be allocated to and administered by the Campus Recreation Sports Program.

29% of this fee increase will return to institutional financial aid.

The current ICA fee is \$31.80 per student per quarter and is adjusted annually according to the CPI.
