### 2008-2009 CAMPUS ACTIVITY FEE REFERENDUM

1. Do you approve an increase in the Associated Students Campus Activity fee by \$19.82 per student per quarter effective Spring Quarter 2009 to support programming, student organizations, services, operations and sustainability efforts of the Associated Students of the University of California, San Diego?

29% of this fee increase will return to UCSD to help meet the financial aid needs of undergraduate students.

11.3% of this fee increase will be used exclusively for the creation, maintenance, and operating budget of the Sustainability Resource Center.

59.2% of this fee increase will be used to support programming, student organizations, services and operations of the Associated Students.

The current Campus Activity fee is \$28.00 per student per quarter. Neither the increased nor existing activity fee will be assessed during summer sessions.

If this fee referendum is approved and implemented, the Campus Activity fee would be \$47.82 per student per quarter effective Spring Quarter 2009. The entire Campus Activity Fee will be adjusted annually according to the California Consumer Price Index (CPI) starting in Fall 2010. In addition, no referendum that would increase the AS Campus Activity fee may be proposed until Fall Quarter 2012.

Statement of Conditions:

1. This fee will be included in the determination of financial aid.
2. Annual budget reports will be made public and provided to all UCSD Student Government s.
3. Modifications to this fee may not be made without a subsequent student referendum held in accordance with the appropriate student governmental and University policies unless other means are explicitly provided in this ballot language.
